

SailTime Membership

The affordable way to sail

SailTime™, the world's first and largest sailing membership company, provides affordable sailing to both new and experienced sailors.

SailTime is unlike any other sailing club in existence, eliminating all of the hassles and costs associated with traditional boat ownership.

Most people who own a yacht use it just 2-3 times a month and the cost of ownership can be high. Marina fees are \$600 - \$1000 per month, monthly repayments can range from \$2500 to \$4000 and then there is maintenance, insurance, cleaning.....the list goes on!

With SailTime your monthly membership fee is typically less than you would pay per month just for a berth at your local marina. SailTime membership lets you enjoy sailing a luxury yacht fully equipped with features such as GPS navigation systems, auto pilot, electric windlass anchor, full galley, fridge/freezer, hot and cold showers, spacious aft deck and much more.

Reserve your Sailtimes Online

Your membership entitles you to a guaranteed minimum of 3 (Silver membership) or 6 (Gold membership) Sailtimes per month in your local sailing area. Additionally, as a SailTime member you have access via SailTime PLUS to sailing from any of our 30+ bases and fleet of 115+ boats in Australia, and North America.

SailTime SCHEDULER lets you manage your own sailing calendar on-line. You can make reservations via the internet for tomorrow, next month or up to a year in advance. You can clearly see when the boat is available and choose when you'd like to go sailing. You can accumulate reservations or swap with other members. Our purpose-designed software ensures all members an equitable share of 'sailtimes'.

From Novice to Experienced Sailor

If you are a novice, SailTime can help you achieve the competence and qualifications to sail confidently with your family and friends. Our experienced and friendly instructors will assist you to develop your sailing skills at a pace that suits you.

The many benefits of SailTime membership

- Sail a new yacht in your local sailing area as if it were your own
- Day, overnight, weekend sailing times plus unlimited 'as available' use
- All-inclusive monthly membership fee for typically less than the cost of marina fees alone
- No maintenance, no repairs, no berthing - no worries!
- Interactive on-line scheduling with proven rules for equitable sharing
- Professional yacht management
- Local bases, global presence – access to our network of 30+ bases worldwide
- RYA/YA training through our affiliated sailing schools.

As an alternative to membership we have an equally attractive

SailTime MEMBERSHIP

Frequently Asked Questions

Q How does a SailTime Membership work?

A SailTime is just like a golf/tennis club membership, but on the water. You pay a monthly/annual fee to have full use of our modern vessels without any of the ownership responsibilities. SailTime also provides an on-line simple to use, 'fair share' scheduling system that has been developed over 15 years. Onboard all the yachts there is also a check-on and check-off system that ensures the boat is always clean and ready to go. SailTime is perfect for anyone who wants an affordable way to sail on a new well equipped yacht.

Q How do you schedule the 'sail times'?

A Via our exclusive on-line SailTime scheduling software. The software allows you to reserve and swap schedules in real-time. You are allocated sailing 'slots' each month that you can use that month, bank for use in the following month or borrow unused slots from the previous month. You can schedule your sailing times up to a year in advance, anything from a day sail, an overnight sail or a weekend.

Q Can I stay overnight on the yacht?

A Yes. Every evening 'sail time' slot starts at 6.00pm and ends at 10.00am the next morning.

Q What stops one member reserving every weekend?

A The guaranteed monthly sailing slots are divided into weekend day/evening, weekday days/evenings. Friday is a weekday. Friday evening is a weekend evening sail time. The Scheduler keeps track of these categories of usage and together with other rules ensures all members a fair and equitable chance of booking their preferred sailing times.

Q Can I use the yacht if no other member is using the time?

A Absolutely! You can schedule an unlimited number of slots if they are available within 30 hours.

Q What is the number of members on any yacht?

A The yacht is made available to only a limited number of members and the Owner-Member, giving each member plenty of guaranteed sailing time per month.

Q How much will I have to pay when I join SailTime?

A There is a one off joining fee of \$1,800 (for Gold members) and \$1,300 (for Silver members) which provides 2 days induction training. Gold members have automatic membership to SailTime Plus giving you access to over 115+ yachts in 30+ locations worldwide. Silver members pay a one off fee of \$350 to access SailTime Plus.

Q What happens if the boat is damaged and out of commission?

A SailTime take care of it. In the event that your boat is unusable, your SailTime Base will charter in a replacement after a short qualifying period until your boat is repaired.

Q Are there any other maintenance/upkeep fees that will be charged?

A No. Membership is inclusive of all costs. Your only liability is the insurance excess should you have an accident which was partly or entirely your fault.

Q What are the specifications of the yacht?

A All our yachts are extremely well equipped with chart plotter, autopilot, electric windlass, self furling jib, lazy jacks, bimini, dodger, galley items and other features that make sailing easy and enjoyable. All SailTime boats are fully certified to the Maritime

safety standards and carry extensive safety equipment.

Q Who is responsible for cleaning the boat?

A Members wash down the topsides, clean below decks and remove their rubbish, etc. after use. SailTime will ensure that the boat receives a deep clean every month. These measures ensure you get the boat in pristine condition each time you go sailing.

Q Who is responsible for the cost of re-fuelling the yacht?

A It varies. For Yacht Membership, the membership fee is a flat rate and includes all diesel and cooking gas used. For Trawlers and Powerboats, there is an additional fuel & engine levy payable by the member.

Q How do you handle irresponsible members?

A The Membership Agreement makes provision for those members who abuse SailTime's policies to be fined or ultimately removed from the program.

Q What experience do I need to become a SailTime member?

A None! SailTime is able to take members who are complete novices. An important part of the SailTime program is the nurturing and training of our members through RYA/YA courses to become competent, safe and confident skippers & crew.

Q I see that you have bases worldwide. Can I use SailTime boats in other locations?

A Yes. As well as enjoying sailing at your local SailTime Base, our global network of bases provides a unique opportunity to sail other yachts around the world. SailTime Plus Membership lets you make advance reservations worldwide on currently over 115 yachts in 30+ locations.

Q Can I become a member first and then upgrade to become an Owner-Member?

A Yes. Members can upgrade at any time and your base manager will assist you to do so.

Q What if I don't have enough spare time to fully utilise my SailTimes can I share my membership?

A Yes you can. Classically the 'Member' is husband and wife, but the second person could be a partner, sibling, friend or business colleague. Obviously you share the time allocation of 1 membership. However, as frequently happens, you both sail together the majority of the time, but you have effectively halved the cost of membership!

Q Is this too good to be true?

A SailTime was the first in 'fractional' membership sailing and is the world leader. With our proven concept you can benefit from our experience and investment over the last 15 years and enjoy easy, affordable and accessible sailing.
